We recognize many in the community have been unable to attend our programs or use the facility simply because our weekday schedule does not work with yours. We have searched for a way to adjust our hours to better fit community's usage and needs and feel we have found it. Our new hours are:

Monday – Thursday 10am-8pm
Friday & Saturday 11am-7pm
Sunday 1pm-5pm (summer hours run from 6/17-9/8)

By offering these expanded weekend hours everyone will now have a more balanced opportunity to use our services in a less rushed and more relaxed way. We are excited to provide the entire community with such equal accessibility and have lined up some exciting weekend programming for all ages. We hope you will find something of interest this winter to enjoy. Look for the to spot our weekend programs. We look forward to seeing you... later!
